### Pondering ??? What to do next? Where do I go from here?

*The wait is over! The day of the Leaving Cert results is one of elation, while for others this day brings disappointment. Last week, a simple piece of paper with a few figures on it will determine the way ahead for thousands of young adults around the country. But no matter what the results – please remember that today is not the end of the world! Those results do not signal that all doors are closed – it's just that it sometimes takes a little longer to find the key to open some! We are proud of each and every one of our students and of their individual achievements and we pray God's blessing on them as they discern their future.*

*Always remember...  
You are braver than you believe,  
Stronger than you seem,  
and smarter than you think!*
